Riverside Regional Pet Shelter *Your Regional No-Kill Shelter*

The homeless animals in this area need your help. The current BENCHS shelter facility the animals are living in is in disrepair and is undersized for its current needs. That is why we are raising money to build the animals a new shelter, the Riverside Regional Pet Shelter.

You can become a part of this great project by purchasing a brick or paver that will be placed in the sidewalk outside the new shelter. This is a wonderful way to remember or honor a special person or pet. It could also commemorate an occasion in your life like a wedding, retirement, birthday, new baby, graduation, baptism, anniversary or any other special event.

If you are buying a brick or paver in memory or in honor of a pet, we can add a pawprint to your message. The bricks are engraved with a state of the art technology, guaranteed to last a life time.

We also offer a miniature replica of the original brick or paver, which can be displayed in your home or presented as a gift.
