Kibble Klub

Become a **sustaining member**—join the Riverside Regional Pet Shelter's **Kibble Klub**.

Were it not for caring, generous people like you, Riverside Regional Pet Shelter would not exist. You and our other members provide the financial resources necessary to continue our mission: offering shelter and care for the homeless pets in our region, affording adoption services of animals into good homes, sponsoring spay-and-neuter programs to consistently reduce the number of unwanted pets, and educating our communities in animal advocacy and care. Your generosity makes what we do possible, and for that *we thank you!*

The most important source of funding for Riverside Regional Pet Shelter continues to come from individual contributions such as your membership gift. In order to regularize the flow of financial resources for the Shelter, we are now instituting sustaining memberships in the RRPS **Kibble Klub**! Kibble Klub members will authorize automatic monthly payments of \$5.00 or more from a bank checking account, which will reduce office and mailing costs, thereby ensuring that more of your contribution goes directly where you want it to go—to the care of the animals in the Shelter.

For example, your \$5.00 per month contribution would vaccinate 1 cat or dog. \$10.00 per month would provide heartworm or feline leukemia testing on 1 cat or dog, or provide litter fill for 1 day. For \$25.00 per month we could feed 1 litter of kittens on milk replacement or soft food for 1 week. Your contribution of \$50.00 per month would provide flea protection for several cats and dogs for 1 month. A contribution of \$100.00 per month could spay or neuter 1 cat or dog.

We deeply appreciate your support for the things you value most, for being involved, and for caring. Membership makes the difference. By joining the **Kibble Klub** sustaining membership program, you will continue to invest in a valuable resource in our community.

On behalf of the entire BENCHS Riverside Regional Pet Shelter membership, and the animals that are cared for through our services, we offer a sincere and heartfelt **thank you**. We are enormously grateful for your continued support and hope that you are able to take that next step and become a **Kibble Klub Sustaining Member!**

With all best wishes,
Walt Anderson, BENCHS Board of Directors, Vice President
