

Date Correction BENCHS Garage Sale All Hands on Deck!

Hi [fname],

Oops! We've corrected the dates of the sale and clean up. Please accept our apologies for the confusion!

Our largest fundraiser of the year is nearly here! We hope that you have been cleaning out drawers and closets to get your donations ready! We're accepting donations daily from 9am - 5:30pm through Thursday at the Caledonia Community Center, 600 Hope Street. If you can possibly drop your donations off early in the week, that would be

great!

We need of volunteers to assist with set up. Mon 7/18 - Thurs 7/21 9am - 5:30pm

Many, many people will be needed to set up. Can you sort out boxes of items? Can you put price tags on and roll the priced items to their display area? We have a job for everyone--from young strong lifters to not so young or strong people who can unpack and sort while seated. We need volunteers to do everything from loading cars to unloading boxes. There are so many things to do and you can be part of this giant fundraiser. We are looking for service clubs, troops and groups who will come and work with us. Any amount of time you can help would be appreciated!

We need volunteers during the sale. Fri 7/22 9am - 6pm, Sat 7/23 9am -4pm, Sun 7/24 9am -4pm.

We need volunteers to work as cashiers, answer shoppers' questions and keep the sale area tidy. Friday morning and Sunday are the busiest days. Our cashiers work in pairs and we'd like one person who is comfortable working with money and making change.

We need volunteers to help clean up after the sale Mon 7/25 & Tues 7/26.

Volunteers are needed to pack up unsold items, take down tables, transport items and clean up the Curling Club. We are grateful for any amount of time you can spare to help.

Try volunteering a shift with us and see if you like it! It is not the stress of your garage sale in your driveway. It's indoors, so no worries about the weather. It is a big group of people all working toward a common goal and you can simply be done with it when your shift is over!

Contact Susan at susan.kroon@gmail.com if you are able to help, have a group that is able to help or if you know of a place we can borrow tables.

Please share this message with your friends. Or better yet, invite them to work a shift with you!

Thank you from the BENCHS dogs and cats
