We see sushi at all the best eateries, learn the technique and wow your friends.

Hands On Sushi - Level 1

Become your own Sushi Chef

SUSHI does not mean RAW fish or seafood. Let Sushi Bob teach you to become your own Sushi Chef. Impress your family and friends by learning the techniques necessary to prepare attractive, healthy, inexpensive and delicious MAKI ZUSHI (Sushi rolls) at home. This beginning class also covers Sushi rice preparation, food safety, knife skills and etiquette. This is a 3 hour "Hands On" class, so get ready to roll.

Friday, October 21 6-9pm
